Total Respondents: 33		

A quick look at findings for future trainings

Extension staff want to:

- **Develop a resource network**
- **Build relationships with local community emergency management personnel**

To that end they would like:

- **Awareness of available disaster resources**
- **Information on Incident Command System**

What brought you to this space?
What is your why?

- Paper on your table.
- You may use images, key phrases, symbols
- Any collective insights?
